

Introducing the Co-Lead Partnerships and Roundtables

Inception Workshop
China Europe Water Platform
5 – 6 March 2014
Beijing (China)

Birgit Vogel
Short Term Expert
to the CEWP Secretariat
Rural Water Challenges

CEWP Pillars/Work Areas/Co-Leads

Initial CEWP Pillars

⊙ Governance

- ⊙ Undertake facilitation dialogues regarding systems and approaches

⊙ Research

- ⊙ Establish research cooperation including water innovation

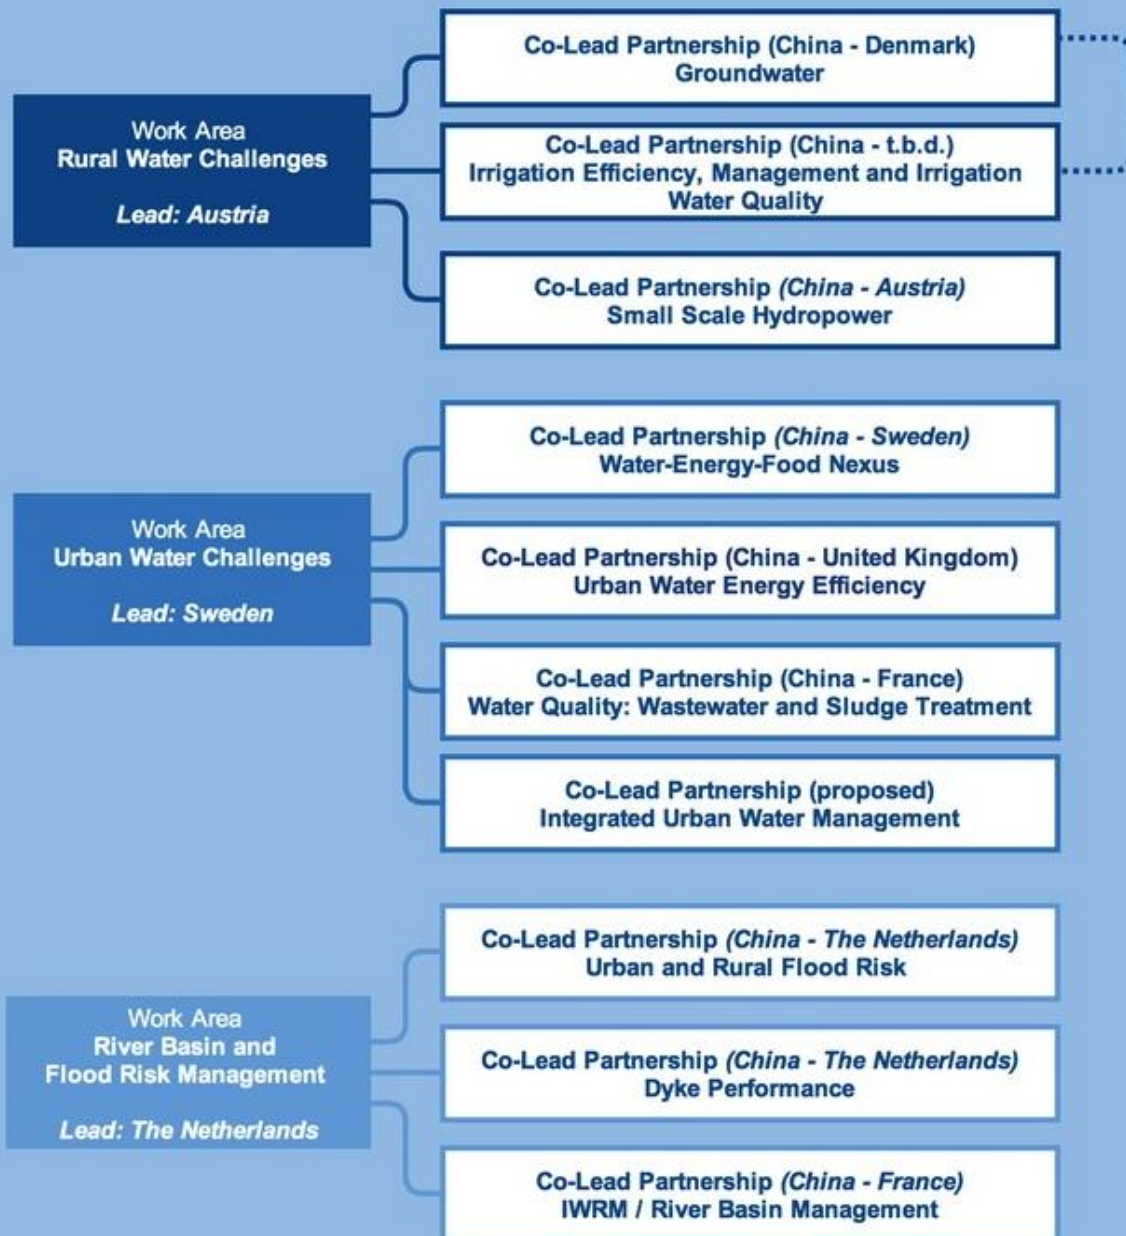

⊙ Business

- ⊙ cooperation activities and opportunities for companies in the water sector
- ⊙ implement innovative technologies and enhancing economic aspects

In terms of implementation
three CEWP Work Areas have been introduced

CHINA EUROPE WATER PLATFORM

CEWP Co-Lead Partnerships

- ⊙ Co-Lead Partnerships show different implementation status
 - ⊙ On-going cooperation activities are in place,
 - ⊙ Proposals for cooperation activities are formulated, or
 - ⊙ Cooperation activities still to be defined during the workshop

The roundtable discussions will be the platform to outline detailed cooperation activities following a coherent format

Co-Lead Partnership Roundtable Discussions – Day 1

- ⊙ For each Co-Lead Partnership one roundtable
- ⊙ Nine discussions will take place in parallel
- ⊙ 90 minutes of time available
- ⊙ Each roundtables will be chaired or co-chaired
- ⊙ Support by a rapporteur, who will report back to the plenary

Outcomes of the roundtable discussions:

- ⊙ Clearly identified cooperation activities (on-going and future) in order to
- ⊙ bring activities together into one proposal for funding

Outcomes are basis for Day 2 Work Groups

- ⊙ Activities will be aligned to Action Plan including tasks and milestones

Co-Lead Partnership Roundtable Discussions – Day 1

Key questions

⊙What are the key challenges, on-going activities and future management topics under the Co-Lead Partnership ?

⊙What are the scope, aims and tasks for future cooperation activities as well as the expected outcomes for integration into the CEWP Action Plan for the related Work Area/Co-Lead Partnership ?

⊙What are water resources management topics that are not yet covered within the CEWP Work Areas Proposal of cooperating institutions ?

Co-Lead Partnership Roundtable Discussions – Day 1

- ⊙ Chairs will give a 10 minute introductory presentation for Co-Lead
 - ⊙ On-going cooperation activities
 - ⊙ Background information
 - ⊙ Future areas of cooperation
- ⊙ Others at the table will contribute with further proposals on activities
- ⊙ Listing of all options for cooperation activities
- ⊙ Proposal of cooperating institutions
- ⊙ Proposal how to compile these into one proposal for funding

Compile information and report back to the plenary

Co-Lead Partnership Work Groups – Day 2

- ⊙ Work Groups will build upon activities defined on Day 1
- ⊙ Further development towards concrete proposals
- ⊙ Same set – up as on Day 1 with chairs and rapporteurs

Aims

- ⊙ Outline of a draft Work Programme including key components
 - ⊙ Financing
 - ⊙ Tasks and activities
 - ⊙ Expected outcomes and deliverables
 - ⊙ Milestones
- ⊙ Outline of a rough CEWP Action Plan / Road Map for year 1 (2014)
 - ⊙ Allocation of tasks and milestones

Co-Lead Partnership Work Groups – Day 2

Follow-Up CEWP Inception Workshop

- ⊙ Prepare a strategic CEWP document
- ⊙ Prepare detailed proposals to be submitted for funding
- ⊙ Implementation of cooperation activities

Co-Lead Partnership Work Groups – Day 2

Rooms for Roundtable Discussions

Co-Lead Partnership	Room
<u>Rural Water Challenges</u> <i>Groundwater Management & Irrigation</i> <i>Small Scale Hydropower</i>	325 III
<u>Urban Water Challenges</u> <i>Water Energy Food Nexus</i> <i>Water Quality</i> <i>Integrated Urban Water Management</i>	206
<u>River Basin and Flood Risk Management</u> <i>Rural and Urban Flood Management</i> <i>Dyke Performance</i> <i>IWRM/River Basin Mangement</i>	201

Thank you!
